## ***Who Are The Lions and What Do We Do?***

---

Lions Clubs International is more than 1.4 million strong ... men and women... young and old. You will find us in 194 countries and geographical areas from the hinterlands of Australia and Brazil to thriving urban centers like New York City and Milan...

We share a common spirit. Since our beginning in 1917, we have been united in a single cause: helping those less fortunate. We are tackling the tough problems like blindness and drug abuse as well as diabetes awareness—and finding help and training for the deaf, disabled, underprivileged and the elderly.”\*

Lions Clubs are not social clubs, although there are social benefits to membership. Lions Club members give their time, skills and resources to raise funds for charitable giving both in their communities and internationally.

The association is governed by an international board of directors. Colorado is Multiple District 6 and consists of four Districts. Each district is governed by its own district governor and cabinet. A district consists of groups of clubs totaling a minimum of 1,250 members. \*
